Tiny typo in 'what will happen next.'

EPA is coordinating with Navajo Department of Emergency
Management, attending specially held community meetings,
chapter meetings, and

Subject: Region 9 Gold King Mine factsheet

Hi all,

Attached is the final factsheet that Region 9 is using for our outreach on Navajo Nation. Please pass this along to people I might have forgotten (trying to keep track of a million things, as you might imagine).

Laura, can you pass this along to folks at NN EOC? Yolanda, can you pass this on to Chris from Region 8?

Thanks all, especially for your assistance in passing along.

Best,

Amanda
